A refusal to delivery any money or a negotiable security, instrument, paper or other negotiable writing, which is in his or her possession or custody by virtue of his or her office, business or employment, or as trustee or bailee, upon demand of the person entitled to receive it, or as required by law, is *prima facie* evidence of an intent to convert to his or her own use within the meaning of this paragraph.

No person shall be convicted of an offense under this subsection, if the law enforcement officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the actor was true and, if believed by the law enforcement officer at the time, would have dispelled the alarm.

This ordinance is enacted to establish control of security, fire and other emergency alarms located on property within the City that require police or fire response, investigation and safeguarding of property; to control and regulate the incidence of false alarms which increasingly consume police and fire resources; and to provide penalties for the generation of false alarms.

- (2) Definitions -

For the purpose of this ordinance, the following definitions shall apply:

- (c) Responsible Party -

Any person who owns, operates or leases premises within the City on which an alarm system is installed or maintained, or the agents or representatives of said person.

- (3) Duty to Maintain -

All responsible parties shall maintain the alarm system in good working order.

- (4) Duty to Provide Information -

All responsible parties shall file and keep updated with the City Police Department the name, address and telephone number of no more than two (2) individuals authorized to respond to the location of the alarm.

²³ Created by Ordinance No. 10-2003/04, Enacted April 6, 2004.

(5) Duty to Respond -

The responsible party, or other individuals designated pursuant to subsection (4), above, shall be available at all times and shall respond in case the alarm is activated for the purpose of providing access to the building and resetting the alarm; such persons shall be at the property for such purpose as soon as possible.

(6) False Alarms -

No responsible party shall have or permit a false alarm at their premises. The Police or Fire Department shall notify the responsible party of the existence of a false alarm within five (5) days of its occurrence or it shall be deemed not to be a false alarm. The following forfeitures shall be imposed for each false alarm generated from each premise:

- (a) For the first three false alarms in any twelve (12) month period, a written warning shall be issued and no forfeiture shall be imposed.
- (b) For the fourth false alarm in any twelve (12) month period, a forfeiture of \$100 shall be imposed.
- (c) For the fifth and subsequent false alarms in any twelve (12) month period, a forfeiture of not less than \$100, nor more than \$500, shall be imposed for each violation.

(d) Exceptions -

1. Penalties under this section for false alarms shall not apply to systems installed less than 90 days.
2. The Police Chief or the Fire Chief, or their designees, may waive any penalties under this subsection if the responsible party shows that the alarm system was maintained properly and the false alarm was not the result of his or her negligence.

(7) No person shall deliberately activate any alarm system for purposes other than emergency, maintenance, drills or prescribed testing.

(8) System Resetting -

- (a) No person other than a fire official, shall cause a fire alarm system to be reset once it has been activated. This subsection will not apply to alarms generated for maintenance, drills or prescribed testing.

Stat. § 66.0627.

9.30 Penalties

Any person who shall violate any provision of this chapter shall be subject to a penalty as provided in Section 25.04 of this Municipal Code. In addition to any penalty imposed for violation of Wis. Stat. § 895.035 (2001-2002).

9.31 Sexual Offender Residency Restrictions²⁴

(1) Finding and Issue -

- (a) Repeat sexual offenders, sexual offenders who use physical violence and sexual offenders who prey on children are sexual predators who present an extreme threat to public safety. Sexual offenders are extremely likely to use physical violence and to repeat their offenses; and most sexual offenders commit many offenses, have many more victims than are ever reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sexual offender victimization to society at large, while incalculable, clearly exorbitant.
- (b) It is the intent of this section not to impose a criminal penalty but rather to serve the City's compelling interest to promote, protect, and improve the health, safety, and welfare of the citizens of the City by creating areas around locations where children regularly congregate in concentrated numbers wherein certain sexual offenders and sexual predators are prohibited from establishing temporary or permanent residence.

(2) Definitions -

The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

- (a) Child means a person under the age of 18 for the purpose of this section.
- (b) Designated Offender means any person who is required to register under Wis. Stat. § 301.45 for any sexual offense against a child or any person who is required to register under Wis. Stat. § 301.45 for whom a bulletin to law enforcement agencies has been issued under Wis. Stat. § 301.46(2m).
- (c) Loitering means whether in a group, crowd, or as an individual, to stand idly about, loaf, prowl, congregate, wander, stand, linger aimlessly, proceed slowly or with many stops, to delay or dawdle.
- (d) Permanent Residence means a place where the person abides, lodges, or resides for fourteen (14) or more consecutive days.
- (e) Temporary Residence means a place where the person abides, lodges, or resides for a period of fourteen (14) or more days in the aggregate during any calendar year and which is not the person's permanent address or a place where the person routinely abides, lodges, or resides for a period of four or more consecutive or non-consecutive days in any month and which is not the person's permanent residence.

²⁴ Amended by Ordinance No. 4-2014/2015. Enacted October 21, 2014.

1. For the purposes of determining the minimum distance separation, the requirement shall be measured by following a straight line from the outer property line of the permanent residence or temporary residence to nearest outer property line of a school, licensed day care center, park, recreational trail, playground, place of worship or any other place designated by the City as a place where children are known to congregate.
 2. The City Clerk shall prepare an official map showing prohibited locations as defined by this section. The City Clerk shall maintain the map on file at the City Hall and update the map at least annually to reflect any changes in the location of prohibited zones. These shall be designated on the map as child safety zones.
- (e) Penalties. A person who violates any provision of this section shall be punished by a forfeiture not exceeding \$500.00. Each day a person maintains a residence in violation of this section constitutes a separate violation. The City of Sheboygan Falls may also seek equitable relief.
- (f) Exceptions. A designated offender residing within a prohibited area as described in Paragraph (3) does not commit a violation of this section if any of the following apply:
1. The person established the permanent residence or temporary residence and reported and registered the residence pursuant to Wis. Stat. § 301.45 before the effective date of this ordinance.
 2. The school, licensed day care center, park, recreational trail or playground within 2,000 feet of the person's permanent residence was opened after the person established and the permanent residence or temporary residence and reported and registered the residence pursuant to Wis. - (a) It is unlawful to let or rent any place, structure, or part thereof, trailer or other conveyance, with the knowledge that it will be used as a permanent residence or temporary residence by any person prohibited from establishing such permanent residence or temporary residence pursuant to this article, if such place, structure, or part thereof, trailer or other conveyance, is located within a prohibited location zone described in Paragraph 3(a), and not subject to an exception set forth in Paragraph 3(f) above.
- (b) A property owner's failure to comply with this section shall constitute a violation of this ordinance and shall subject the property owner to the penalties set forth in Paragraph 3(e).

(5) Appeal -

- (a) Sex Offender Residence Board. The above 2,000 foot requirement may be waived upon approval of the Sex Offender Residence Board through appeal by the affected party. Such appeal shall be made in writing to the City Clerk's Office, who shall forward the request to the Sex Offender Residence Board, which shall receive reports from the City of Sheboygan Falls Police Department on such appeal. The Board shall convene and consider the public interest, as well as the affected party's presentation and concerns. After deliberation, the Board shall forward its decision in writing via the minutes or otherwise to the Sheboygan Falls Police Department for their information and action. Anyone who violates this Section of the Ordinance shall be subject to a forfeiture of not less than \$50.00 and not more than \$500.00. Each instance of such prohibited conduct constitutes a separate violation.
